Pyramid

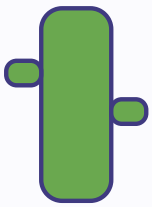

cut • fold • glue - four triangle faces and a square base

pyramid: 4 faces + base

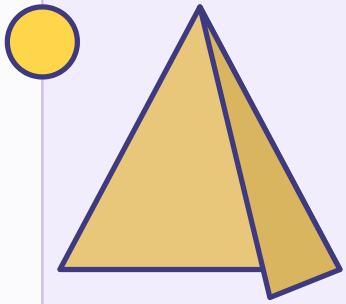

sun

cactus

Here's what you'll get:

height ≈ 8 cm

cut

fold

apply glue

paper 160-200 gsm

print at 100% scale

glue stick

1. Cut out all pieces along the solid lines. A grown-up helps.
2. Fold along all dashed lines. Glue the side tab to form the side surface of the pyramid.
3. Fold the bottom tabs and glue the pyramid to the square base.
4. Glue the sun and the cactus to a cardboard stand so they stand beside the pyramid.
5. Color the pyramid if you like.
