Tent

cut • fold • glue - cone tent with a door and a flag

tent (cone sector)

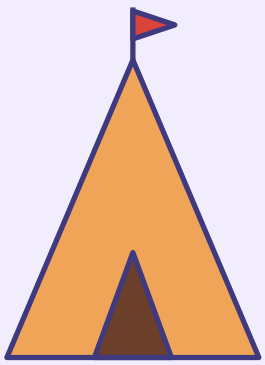

entrance

flag

base mat

Here's what you'll get:

height ≈ 8 cm

cut

fold

apply glue

paper 160-200 gsm

print at 100% scale

glue stick

1. Cut out all pieces along the solid lines. A grown-up helps.
2. Roll the sector into a cone and glue the side tab.
3. Cut the teeth along the bottom, fold them outward and glue them to a cardboard base or the mat.
4. Glue the entrance to the bottom of the cone and the flag to the top.
5. Decorate with any patterns and colors you like.
